Brian Lenart

Principal

Brian supervises the Pittsburgh office professional tax practice and provides various compliance, consulting and value-added tax services to his clients.

During Brian's extensive accounting career he has been employed as a Tax Senior Manager for two nationally recognized tax accounting firms. In these positions he managed and supervised tax assignments for manufacturing, professional service, financial service, healthcare, retail, and distribution clients. In addition, he specialized in federal and state tax services for public and private clients, and provided outsourcing assistance for several clients by managing the entire tax function.

Education

Brian earned a Bachelor of Science Degree in Accounting from Duquesne University.

Professional Affiliations

Brian is a member of the Association for Corporate Growth and Financial Executives International.

Community Involvement

Brian is a member of the Pittsburgh Technology Council.
