Robert P. Gray

Principal

Certified Public Accountant (CPA) in Texas and Kentucky

Robert is responsible for a variety of complex Forensic Accounting, Litigation and Valuation, and Forensic engagements. He assists legal counsel in discovery, planning and strategies before and during trial with examination of witnesses, rebuttal of opposing experts/witnesses, preparation of trial demonstratives and other matters.

Prior to joining Parente Randolph's Dallas, TX office in 2007, Robert spent seven years with an international forensic, litigation, and valuation firm and prior to that he spent over fifteen years with a Big 4 firm in various offices (including their Executive Office).

He provides services involving the following areas of expertise for a variety of industries:

- Special/Corporate investigations
- Forensic/Fraud/Investigative accounting
- Shareholder disputes Business valuations
- Lender liability
- Economic damages, including lost profits and loss of value
- Corporate security fraud
- Intellectual property
- Bankruptcy
- Alter ego
- Post-purchase price adjustments
- Merger & acquisition
- Testimony in State District and Federal Courts

Robert is a nationally recognized speaker to professional and educational groups discussing various aspects of financial/accounting analyses, economic damages, litigation consulting, business valuation, and forensic/fraud investigations.

Education

Robert earned a Bachelor of Science degree in Business Administration/Professional Accounting from Southern Illinois University-Edwardsville.
